

Report on

4th International Day Of Medical Physics (IDMP) 2016

"EDUCATION IN MEDICAL PHYSICS: THE KEY TO SUCCESS"

Observed by

BANGLADESH MEDICAL PHYSICS SOCIETY (BMPS)

(Mr. Abu Kausar, Joint Secretary, BMPS)

International day of Medical Physics is an initiative of the International Organization of Medical Physics (IOMP). This day is celebrating every year for improving the medical physics status worldwide. The theme of medical physics day in 2016 is "**EDUCATION IN MEDICAL PHYSICS: THE KEY TO SUCCESS**". This is true that, without proper education and training none can be a good medical physicist. Besides clinical practice of a medical physicist, taking active participation of education and training could make the medical physics world better.

The Bangladesh Medical Physics Society (BMPS) is a non-profit, non-trade organization primarily engaged in professional, educational and research activities throughout Bangladesh in the field of medical physics including biomedical engineering, especially the application of physics in medical sciences. It represents the interests of Medical Physicists outward and creates education and training possibilities for the scientific rising generation. To promote the medical physics education, department of Medical Physics and Biomedical Engineering (MPBME), Gono University, playing pioneer role in Bangladesh in cooperation with BMPS.

BMPS has taken several activities to observe the 4th International Day of Medical Physics (IDMP) on 7th November 2016. On the occasion of IDMP, BMPS has published e-newsletter which included several activities of BMPS, scientific articles, different events etc. The rally is set for 09:30 am at Gono Bishbidyalay (University) to focus the importance of medical physics. A good number of BMPS members including president, vice president, founder president, joint secretary, treasurer, executive members were attended the rally.

After the rally, a seminar was arranged in the MPBME department mentioning the importance of the day. President of BMPS, Dr. Kumaresh Chandra Paul was presented his speech on that occasion. He asks for the young generation to engage more in education so that they can use it practically for cancer patient care. Founder president of BMPS Prof. Dr. Hasin Anupama Azhari mention many key point for how to be successful medical physicist. He also discussed different prospects of IDMP theme of this year before the audience. Also the Vice president; Mr. Anwarul Islam , Joint Secretary; Mr. Abu Kausar and Treasurer; Nupur Karmaker was spoke about the many issues of IDMP and medical physics .
